EDUCATION

China School of Banking and Finance, University of International Business and Economics

Degree: B. Ec.in Finance

09/2022-06/2026

GPA: 3.67 / 4.00

Core Courses: Intermediate Microeconomics (94%), Financial Time Series Analysis (90%), Python and Programming (92%), Fixed Income Securities Analysis (92%)

RESEARCH EXPERIENCE / ACADEMIC PROJECTS

Determinants of U.S. Treasury Market Interest Rates from a Factor Analysis Perspective

Undergraduate Researcher

04/2025-05/2025

- Learned to utilize SPSS for data collection, modeling, and analysis
- Collected financial data from the Federal Reserve website and completed data preprocessing
- Employed factor analysis to investigate multidimensional influences on U.S. Treasury yields
- Completed independent thesis writing and awarded as an outstanding paper for presentation

Forecasting China's CPI Monthly Indices Using the Prophet Model

Undergraduate Researcher

12/2024-01/2025

- Developed a time-series forecasting framework based on the Prophet model to systematically generate multi-period out-of-sample predictions for China's CPI monthly indices in 2025
- Collected and integrated historical economic data, performed data cleaning and preprocessed to identify and analyze seasonal patterns, trends, and anomalies in the CPI series
- Built and optimized the forecasting model, executing end-to-end tasks from training set construction to model validation to ensure prediction robustness and reliability
- Evaluated forecast performance using key quantitative metrics to verify the model's applicability and effectiveness in economic forecasting

Analysis of International Corporate Tax Avoidance Strategies - A Case Study on Apple Inc.

Project Leader

09/2024-10/2024

- Led the team in deducing and summarizing Apple's primary tax avoidance strategies, identified the use of "transfer pricing" domestically in the U.S. and complex structures such as the "Double Irish with a Dutch Sandwich" internationally
- Organized team members in data collection, model construction, and strategy simulation to systematically analyze the implementation pathways and tax impact of different avoidance approaches
- Initiated in-depth discussions with the course instructor after class to review potential issues in the deduction process and identified complex strategy details not covered in the curriculum, such as the multi-layered operational steps embedded in the "Double Irish with a Dutch Sandwich" method
- Enhanced comprehensive understanding of international tax planning practices through the project, culminated in a final grade ranked 2nd in the class

Campus Cultural and Creative Product Design and Sales Project

Project Participant

04/2024-06/2024

- Engaged in the design of the products and coordinated with manufacturers for bulk production
- Bundled cultural and creative products with campus events to diversify sales channels
- Conducted promotional and marketing campaigns, selling over a thousand products and generating nearly 40,000 yuan in revenue
- Achieved a municipal-level bronze award in the *Challenge Cup* Capital College Student Entrepreneurship Plan Competition

Development of Fire Emergency Map Guidance Program

Project Leader

03/2024-05/2024

- Formed an interdisciplinary team and participated in program coding, web design, and promotions
- Drafted a business plan, including SWOT analysis and projected financial statements

- Organized field visits and testing to validate application effectiveness in practical scenarios
- Received the university-level second prize in the Innovation and Entrepreneurship Program for College Students and funding support

INTERNSHIP

Investment Banking Division, Capital Securities Corporation Limited

Investment Intern

03/2025-06/2025

- Compiled 11 corporate M&A restructuring cases and conducted feasibility analyses for 5 acquisitions to provide reference for business decisions
- Contributed to market operation project proposals and market capitalization management plans
- Organized corporate project working papers and conducted due diligence with working paper review
- Collected target company business, equity, and financial information while preparing fact sheets and review documents
- Handled routine tasks, including report data updates, regulatory research, business material preparation, bank statement reconciliation, and agreement revisions

Beijing Zhongtianhua Asset Appraisal Co., Ltd.

Valuation Intern

01/2024-02/2024

- Translated balance sheets and income statements for Swiss cooperative projects, ensuring accuracy and consistency in cross-cultural communication
- Calculated and reconciled simulated consolidated financial statements to guarantee the reliability and completeness of financial data
- Participated in a municipal real estate valuation project, conducting neighborhood surveys to collect and aggregate property price information comprehensively

BDO China Shu Lun Pan Certified Public Accountants LLP

Audit Intern

07/2023-08/2023

- Engaged in the financial statement audit of the company's partner enterprises, rigorously ensuring data accuracy and completeness
- Assisted with routine audit tasks, including document preparation, file review, and archival organization

EXTRACURRICULAR ACTIVITIES

University Student Union New Media Center

Director

09/2022-06/2024

- Operated the official account, ranking among the top three Beijing universities in monthly readership and earning recognition as the most influential account certified by the Beijing Students' Federation
- Planned and executed multiple university-wide events, encompassing proposal drafting, process coordination, on-site supervision, and material logistics
- Optimized new media workflows, including push schedules, original content guidelines, column creation, and promotional development
